

Making the world safer for children by eradicating child abduction, sexual abuse and exploitation.

Social Media Internship

Thank you for your interest in becoming an intern at the International Centre for Missing & Exploited Children (ICMEC). Interns contribute substantially to the work of ICMEC, and ICMEC's staff work closely with interns to make the experience as rewarding as possible.

ICMEC is a private, nonprofit organization, working to make the world safer for children by eradicating child abduction, sexual abuse and exploitation through advocacy, training and collaboration. We strive to:

- **ADVOCATE:** propose changes to laws, treaties and systems based on rigorous research and the latest technology to better protect children worldwide.
- **TRAIN:** provide tools to professionals who interface with children to improve prevention, facilitate treatment for victims and increase the efficacy of the identification and prosecution of people who victimize children.
- **COLLABORATE:** build international networks of professionals across disciplines to anticipate issues, identify gaps and develop cross-cutting solutions.

As the workload of ICMEC continues to grow and resources are stretched, the contributions of interns are extremely important. ICMEC interns who share the same belief in our goals help to make the success stories happen. ICMEC offers full and part-time internships each academic semester. Successful applicants will be highly motivated students with strong problem-solving skills, an interest in growing their knowledge of information technology, and a passion for public interest work.

ICMEC boasts a strong awareness-based social media campaign that allows ICMEC to communicate with followers about its work, garner support from around the world, and continue to spread its message to eradicate child abduction, sexual abuse, and exploitation.

The Social Media Intern will support the Director of Marketing & Development and the Development & Marketing Assistant in maintaining ICMEC's social media campaign. The position will assist with planning schedules and strategies for social media, soliciting and developing content, designing posts and selecting images, and posting on various social media platforms, including Facebook, Instagram, LinkedIn, and Twitter.

What are the requirements for the internship?

The nature of ICMEC's activities require that interns:

- Be available to work 8 to 12 weeks, at least 20 hours per week (30+ hours preferred) during the Summer term;
- Undergo initial and periodic background checks; and
- Have completed at least two (2) years of undergraduate studies.

What about housing and transportation?

ICMEC does not provide housing for interns nor do we provide a stipend to cover living expenses. ICMEC does, however, provide partial reimbursement for public transportation costs associated with commuting to and from work or daily parking fees for days worked on site.

Is the internship paid?

All internships are unpaid, though ICMEC does provide a partial reimbursement for public transportation or parking costs associated with commuting to and from the office. Internships may be granted academic credit (please refer to your school's internship/externship requirements).

How do I apply?

An application form is available on our website (www.icmec.org). You can submit the application form online or download the application form and submit it by mail, fax, or email. In addition, please upload or include a Statement of Purpose or cover letter, résumé, official or unofficial transcripts, and writing sample, and return them to us either online or by mail, fax, or email to the following point of contact:
