Keeping Children Safe in Education: What You Need to Know

A child means everyone under the age of 18.
Children need the right help at the right time to address risks.
Remember 'it could happen here' where safeguarding is concerned.
We are all responsible for the welfare of children and keeping the environment safe, whatever our job.

What is safeguarding?
Safeguarding and promoting the welfare of children is defined as: protecting children from maltreatment; preventing impairment of children’s health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

What do I need to do?

ALWAYS ACT
In the best interests of the child. Never promise confidentiality.

KNOW HOW
To identify children who may benefit from early help.

KNOW THE DIFFERENT types of abuse and neglect, so that you can identify children who may be in need of help or protection.

Know what to do if a child tells you they are being abused or neglected.

Know who the Designated Safeguarding Lead is and talk to them as soon as you are concerned.

Staff Behaviour
If you are concerned about the behaviour of any staff member, you should speak to the headteacher. Concerns about the headteacher should be referred to the Chair of Governors.

Whistleblowing
If you’re worried about poor or unsafe safeguarding practices, or potential failures in the school, talk to the Designated Safeguarding Lead, any senior leader, or the Chair of Governors. If you feel unable to talk someone in school, you can call the NSPCC whistleblowing helpline on 0800 028 0285 or email help@nspcc.org.uk.
