

# Assessment of Risks Associated with Institutional Abuse

*“Perpetrators are active decision makers.”*

Risk or vulnerability	At our school (highlight or tick those that can be mitigated)
<p>What vulnerabilities lie in our students?</p>	
<p>What risks or situations provide opportunities for abuse?</p>	
<p>What risks and vulnerabilities are associated with our institution or program? (host &amp; community cultures, facilities, climate, etc.)</p>	 
<p>What protective factors mitigate situational and institutional risks?</p> <p>What resilience factors mitigate student vulnerabilities?</p>
